**ORDER GRANTING MOTION TO
STRIKE FILING BY OBJECTOR SEAN
HULL**

21 On January 7, 2016, the Court issued one of several scheduling orders in this case, ECF
22 No. 4286, resetting the deadline for objections to the then-upcoming Report and Recommendation
23 (“R&R”) (now available at ECF No. 4351) to February 12, 2016 and the deadline for oppositions
24 to February 23, 2016. ECF No. 4286 at 2. The order expressly amended the prior scheduling
25 order, dated November 12, 2015. ECF No. 4185. On February 23, 2016, the Court struck certain
26 objections, but allowed the stricken objections to be refiled by February 26, 2016. See ECF No.
27 4430 at 2. The Court also extended the deadline for any response by Lead Counsel for the Indirect
28 Purchaser Plaintiffs (“IPPs”) to March 2, 2016. Id.

21 IPPs filed a timely response. ECF No. 4449. Objector Sean Hull then filed a reply brief
22 without leave of court. ECF No. 4465. IPPs now ask the Court to strike objector Hull’s response
23 as untimely. ECF No. 4475.

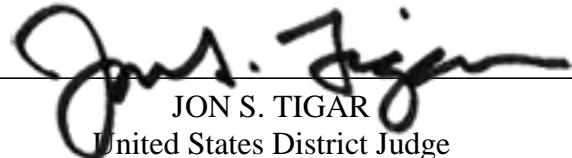

24 The IPPs are correct that Objector Hull’s reply is untimely. The IPPs’ motion to strike is
25 therefore GRANTED.
